**SECTION A: Standard Terms and Conditions**

(Stc-Form: 10/24/2013)

This document is intended to indicate the minimum requirements for the submission of bids.

1. **General.** Throughout this document, “City of Madison,” "City" and "Purchasing" shall be synonymous and mean the City of Madison. The words “bid” and “proposal” are synonymous, as are the words “bidder,” “proposer” and “contractor.” The phrases “request for proposal,” “invitation for bids,” “request,” “invitation,” and “solicitation” shall also be synonymous.

   As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous. If the City accepts a bid or proposal, the bid or proposal, together with the City’s entire Request for Proposals or Invitation for Bids and any other terms and conditions expressly agreed between the parties in writing, shall constitute a contract and will be the Entire Agreement, as described in paragraph 2 (“Entire Agreement”). In the event of any conflict between this Section A and any other terms and conditions included in the accepted bid or proposal, the terms of Section A shall control unless the parties expressly agree to another order of precedence, in writing. Finally, if a separate written contract is executed between the parties as a result of this solicitation, the terms and conditions of that contract shall control.

   The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City’s discretion is determined to be in the best interests of the City.

2. **Entire Agreement.** These standard terms and conditions shall apply to any contract or order as a result of this Request for Bid/Proposal except where special requirements are stated elsewhere in the Request, in such cases, the special requirements shall apply. Further, the written contract and/or order with referenced parts and attachments shall constitute the entire agreement and no other terms and conditions in any documents, acceptance, or acknowledgment shall be effective or binding unless expressly agreed to in writing by the City.

3. **Addenda.** Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.

4. **Price Proposal.** All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to the subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.

5. **Price Inclusion.** The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.

6. **Pricing and Discount.**
   a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exits in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.

   b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.

7. **F.O.B. Destination Freight Prepaid.** Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.

8. **Tax Exemption.** The City of Madison exempt from the payment of Federal Excise Tax and State Sales Tax. The City Tax Exempt number is ES 42916. Any other sales tax, use tax, imposts, revenues, excise, or other taxes which are now, or which may hereafter be imposed by Congress, the State of Wisconsin, or any other political subdivision thereof, and applicable to the sale of material delivered as a result of the bidder’s bid and which, by terms of the tax law, may be passed directly to the City, will be paid by the City.

9. **Specifications.**
   a. All bidders must be in compliance with all specifications and any drawings provided with this solicitation. Exceptions taken to these specifications must be noted on your bid.

   b. When specific manufacturer and model numbers are used, they are to establish a design, type, construction, quality, functional capability and/or performance level desired. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and the bidder/proposer is responsible for providing sufficient information to establish equivalency. The City shall be the sole judge
of equivalency. Bidders are cautioned to avoid bidding alternates which do not meet specifications, which may result in rejection of their bid/proposal.

10. Regulatory Compliance.
   a. Seller represents and warrants that the goods or services furnished hereunder, including all labels, packages, and container for said goods, comply with all applicable standards, rules and regulations in effect under the requirements of all Federal, State and local laws, rules and regulations as applicable, including the Occupational Safety and Health Act (OSHA), as amended, with respect to design, manufacture or use for their intended purpose of said goods or services. Seller shall furnish Material Safety Data Sheets (MSDS) whenever applicable.
   b. If it is determined by the City that such standards are not met, the seller agrees to bear all costs required to meet the minimum standards as stated above for the equipment/products furnished under this contract.

11. Warranty. Unless otherwise specifically stated by the bidder, products shall be warranted against defects by the bidder for ninety (90) days from the date of receipt. If bidder or manufacturer offers warranty that exceeds 90 days, such warranty shall prevail.

12. Ownership of Printing Materials. All artwork, camera-ready copy, negative, dies, photos and similar materials used to produce a printing job shall become the property of the City. Any furnished materials shall remain the property of the City. Failure to meet this requirement will disqualify your bid.

13. Award.
   a. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible bidder in compliance with the specifications and requirements of this solicitation.
   b. The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.

14. Responsiveness and Responsibility. Award will be made to the responsible and responsive bidder whose bid is most advantageous to the City with price and other factors considered. For the purposes of this project, responsiveness is defined as the bidder’s conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.

   Responsibility is defined as the bidder’s potential ability to perform successfully under the terms of the proposed contract. Briefly, a responsible bidder has adequate financial resources or the ability to obtain said resources; can comply with required delivery taking into account other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience and technical skills.

   The City reserves the right to refuse to accept any bid from any person, firm or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the bidder must present within five (5) working days evidence satisfactory to the City of performance ability and possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the bidder’s ability to comply with the terms of this solicitation document.

15. Cancellation.
   a. The City reserves the right to cancel any contract in whole or in part without penalty due to non-appropriation of funds.
   b. In the event the Bidder shall default in any of the covenants, agreements, commitments, or conditions and any such default shall continue unremedied for a period of ten (10) days after written notice to the Bidder, the City may, at its option and in addition to all other rights and remedies which it may have, terminate the Agreement and all rights of the Bidder under the Agreement.
   c. Failure to maintain the required certificates of insurance, permits, licenses and bonds will be cause for contract termination. If the Bidder fails to maintain and keep in force the insurance, if required, the City shall have the right to cancel and terminate the contract without notice.

16. Item Return Policy. Bidder will be required to accept return of products ordered in error for up to twenty-one (21) calendar days from date of receipt, with the City paying only the return shipping costs. Indicate in detail on the Bidder Response Sheet, your return policy.

17. Payment Terms and Invoicing. The City will pay properly submitted vendor invoices within thirty (30) days of receipt, providing good and/or services have been delivered, installed (if required), and accepted as specified.

   a. Payment shall be considered timely if the payment is mailed, delivered, or transferred within thirty (30) days after receipt of a properly completed invoice, unless the vendor is notified in writing by the agency of a dispute before payment is due.
   b. Invoices presented for payment must be submitted in accordance with instructions contained on the purchase order, including reference to purchase order and submittal to the correct address for processing. Invoice payment processing address is shown on the upper middle section of the purchase order. Send invoices to Accounts Payable address on the purchase order. A. If the City determines there has been a violation of this ordinance, appropriate city staff or the independent monitoring agency, if any, shall inform the contractor of the determination and discuss the violation with the contractor. The purpose of the discussion is to encourage the contractor to change its practices rather than to cease doing business with the contractor. To that end, the City may at its sole option prescribe appropriate measures for the contractor to take in order to comply with the Ordinance, however nothing in this subsection shall be construed to limit the city’s remedies under an existing contract or other remedies available at equity or at law. The sanctions for violating the ordinance under an existing contract are as follows and this list of sanctions shall be included in every applicable contract:

1. Withholding of payments under an existing contract.
2. Liquidated damages. The contractor may be charged liquidated damages on an existing contract of two thousand dollars ($2,000) per violation, or an amount equaling twenty percent (20%) of the value of the apparel, garments or corresponding accessories, equipment, materials, or supplies that the City demonstrates were produced in violation of the contract and/or this ordinance per violation; whichever is greater.
3. Termination, suspension or cancellation of a contract in whole or in part.
4. Nonrenewal when a contract calls for optional renewals.
5. Nonrenewal for lack of progress or impossible compliance. The City reserves the right to refuse to renew a contract that calls for optional renewals, when the contractor cannot comply with the minimum standard under (4)(b) and the noncompliance is taking place in a country where:
   a. Progress toward implementation of the standards in this Ordinance is no longer being made; and
   b. Compliance with the employment standards in the Ordinance is deemed impossible by the City and/or any independent monitoring agency acting on behalf of the City. Such determination shall be made in the sole opinion of the City and may be based upon examination of reports from governmental, human rights, labor and business organizations and after consultation with the relevant contractors and sub-contractors and any other evidence the City deems reliable.
6. Disqualification of the contractor from bidding or submitting proposals on future City contracts, or from eligibility for future city procurements for apparel as defined in MGO 4.25, whether or not formal bidding or requests for proposals are used, for a period of one (1) year after the first violation is found and for a period of three (3) years after a second or subsequent violation is found. The disqualification shall apply to the contractor who committed the violation(s) whether that be under the same corporate name, or as an individual, or under the name of another corporation or business entity of which he or she is a member, partner, officer, or agent.

B. Submission of False Information. Any person who has been found by the City to have submitted any false, misleading or fraudulent information to the City or its independent monitoring agency (if any), either in their request for bids or proposals or other pre-award submissions; or during the term of the contract, may be subject to any of the above sanctions.

C. Penalty. In addition to any of the sanctions set forth elsewhere in this ordinance, any contractor or vendor or other person who violates any portion of this ordinance or fails to comply with any of its requirements shall, upon conviction hereof, be subject to a forfeiture of not less than one-hundred dollars ($100) and not more than five hundred dollars ($500), plus applicable costs. Each day such violation continues shall be considered a separate offense. Prosecution or imposition of a forfeiture under this paragraph shall not preclude imposition of other sanctions listed above, nor shall the imposition of such sanctions be construed as a limitation on prosecution.

D. Nothing in this ordinance shall be construed as a limit upon any remedies at law or equity that the city may have to enforce a contractual relationship or otherwise enforce this ordinance.

E. Severability. The provisions of this ordinance shall be severable and if any of the provisions shall be held in contravention of the Constitution and laws of the State of Wisconsin or of the United States by a court of competent jurisdiction, the validity of the rest of the ordinance shall not be affected. It is hereby declared to be the intent of this ordinance that the same would have been adopted had such unconstitutional or unlawful provision, if any, not been included herein.
