1. **RECEIPT AND OPENING OF BIDS**

The City of Santa Fe (herein called “City”), invites bids on the form attached hereto, all blanks of which must be appropriately filled in. Bids will be received by the City Purchasing Office until **2:00 P.M. local prevailing time, August 7, 2012**. At this time the City Purchasing Director will publicly open and read bid(s) aloud.

Two bids shall be submitted in a sealed envelope, addressed to the Purchasing Office, City of Santa Fe, 2651 Siringo Road, Bldg. “H” Santa Fe, New Mexico 87505. No late bids will be accepted whether hand delivered, mailed or special delivery. Do not rely on "overnight delivery" without including some lead-time. “Overnight delivery” will be determined to be non-responsive if delivered late, no matter whose fault it was. It is recommended that extra days be included in the anticipated delivery date to ensure delivery is timely. The Purchasing Office is closed 12:00 p.m. to 1:00 p.m. The outside of the envelope should clearly indicate the following information:

- Bid number: ‘13/01/B
- Title of the bid: UNIFORMS
- Name and address of the bidder:

The Owner may consider informal any bids not prepared and submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids. Any bid received after the time and date specified shall not be considered. No bidder may withdraw a bid within 60 days after the actual date of the opening thereof.

2. **PREPARATION OF BID**

All blank spaces for bid prices must be filled in, ink or type written. If the bid is forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed as specified in the bid form. No alternate bids will be considered unless pre-approved (5) five days prior to the bid opening date by Robert Rodarte, Purchasing Officer.

3. **BID SECURITY**

None required.

4. **LIQUIDATED DAMAGES FOR FAILURE TO ENTER INTO CONTRACT**

Liquidated damages are not applicable to this bid.

5. **ADDENDA AND INTERPRETATIONS**

No oral interpretations of the meaning of the specifications or other pre-bid documents will be binding. Oral communications are permitted in order to make an assessment of need for an addendum. **ANY QUESTIONS CONCERNING THE BID SHOULD BE ADDRESSED PRIOR TO BID OPENING DATE.**

Every request for such interpretations should be in writing addressed to Robert Rodarte, Purchasing Officer, 2651 Siringo Road, Bldg. H, Santa Fe, New Mexico
87505 and to be given consideration must be received at least (5) five days prior to the date fixed for the opening of bids.

Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be delivered to all prospective bidders not later than three days prior to the date fixed for the opening of the bids. Failure of any bidder to receive any such addendum or interpretations shall not relieve such bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the contract documents.

The City reserves the right to not comply with these time frames if a critical addendum is required or if the proposal deadline needs to be extended due to a critical reason in the best interest of the City of Santa Fe.

6. **POWER OF ATTORNEY**

   Attorneys-in-fact who sign bid bonds or contract bonds must file with each bond a certified and effectively dated copy of their power of attorney.

7. **LAWS AND REGULATIONS**

   The bidders attention is directed to the fact that all applicable Federal Laws, State Laws, Municipal Ordinances, and the rules and regulations of all authorities having jurisdiction over said item shall apply to the bid throughout, and they will be deemed to be included in the bid document the same as though herein written out in full. In particular bidder is notified that criminal laws shall apply prohibiting bribes, gratuity and kick-backs.

8. **METHOD OF AWARD**

   The award of the purchase agreement will be made to multiple vendors who meet or exceeds all specifications and provides the lowest total bid amount. However, delivery date, availability of stock, and complete analysis and comparison of specification details along with past experience of the City of Santa Fe with similar or related units, will be weighed in making a final decision of award.

   If a bid item has been discontinued substitutions may be made only with the approval of the Purchasing Officer, Robert Rodarte.

   No important deviation from the terms of this specification is acceptable. It is understood and agreed that the City of Santa Fe reserves the right to reject any and all bids, as authorized by law, and to award to other than the lowest bidder at its discretion, provided that it is in the best interest of the City of Santa Fe, if the CITY PURCHASING MANUAL and pertinent State Statutes are thereby served.

9. **PUBLIC INFORMATION**

   All portions of the bid submittals will become public information. Proprietary information may be marked confidential, however, the City Purchasing Officer will make the final determination as to whether the portion of the bid is legitimately confidential information. Sections to be confidential should be clearly marked as such and readily separable from rest of the bid. In no case will a request for the entire bid to be confidential be considered.
10. **BRAND NAMES**
   All brand names specified in this bid are to imply “or equal.” Bidder should include enough information with the bid submitted so this determination can be made. The determination of the Purchasing Officer will make the final determination as to whether the portion of the bid is legitimately confidential information. Sections to be confidential should be clearly marked as such and readily separable from rest of the bid. In no case will a request for the entire bid to be confidential be considered.

11. **TAX EXEMPT**
   The City of Santa Fe is tax exempt for state gross receipts taxes for the procurement of tangible personal property, but not for labor or services. A tax exempt certificate will be issued upon written request to the Purchasing Office.

12. **COMPLIANCE WITH CITY’S MINIMUM WAGE RATE ORDINANCE (LIVING WAGE ORDINANCE)**

   A copy of the City of Santa Fe Ordinance No. 2003-8, passed by the Santa Fe City Council on February 26, 2003 is attached. The proponent or bidder will be required to submit the proposal or bid such that it complies with the ordinance to the extent applicable. The recommended Contractor will be required to comply with the ordinance to the extent applicable, as well as any subsequent changes to the Ordinance throughout the term of this contract.

13. **RESIDENT and LOCAL PREFERENCE**

   **INTENT and POLICY**

   The city recognizes that the intent of the state resident preference statute is to give New Mexico businesses and contractors an advantage over those businesses, manufacturers and contractors from outside the State of New Mexico. The underlying policy is to give a preference to those persons and companies who contribute to the economy of the State of New Mexico by maintaining businesses and other facilities within the state and giving employment to residents of the state (1969 OP. Att'y Gen. No. 69-42). The city also has adopted a policy to include a local preference to those persons and companies who contribute to the economy of the County of Santa Fe by maintaining businesses and other facilities within the county and giving employment to residents of the county.

   **APPLICATION-IN STATE AND OUT OF STATE BIDDERS**

   With acknowledgement of this intent and policy, the preference will only be applied when bids are received from in-state and county businesses, manufacturers and contractors that are within 5% of low bids received from out-of-state businesses, manufacturers and contractors (13-1-21 (A) –1-21 (F) and 13-4-2 (C) NMSA 1978).

   To be considered a resident for application of the preference, the in-state bidder must have included a valid state purchasing certification number with the submitted bid.
Thus it is recommended that in-state bidders obtain a state purchasing certification number and use it on all bids, in order to have the preference applied to their advantage, in the event an out-of-state bid is submitted. In submitting a bid, it should never be assumed that an out-of-state bid will not be submitted.

For information on obtaining a state purchasing certification number, the potential bidder should contact the State of New Mexico General Service Department-Purchasing Office (Joseph Montoya Building-1100 S. St. Francis Drive 87505, 827-0472).

All resident preferences shall be verified through the State Purchasing Office. Applications for resident preference not confirmed by the State Purchasing Office will be rejected. The certification must be under the bidder’s business name submitting the bid.

NON-APPLICATION-COMPETING IN-STATE BIDDERS

If the lowest responsive bid and the next responsive bids within 5% of the lowest bid, are all from the state of New Mexico, then the resident preference will not be applied and the state purchasing certification number will not be considered. To be considered an in-state bidder in this situation, the bidders must meet the definition criteria of Chapter 13-1-21 (A) (1) and Chapter 13-4-2 (A) NMSA 1978. After examining the information included in the bid submitted, the City Purchasing Officer may seek additional information of proof to verify that the business is a valid New Mexico Business. If it is determined by the City Purchasing Officer that the information is not factual and the low responsive bid is actually an out-of-state bidder and not a New Mexico business, then the procedures in the previous section may be applied.

If the bidder has met the above criteria, the low responsive “resident” bid shall be multiplied by .95. If that amount is then lower than the low responsive bid of a “non-resident” bidder, the award will be based taking into consideration the resident preference of 5%.

APPLICATION FOR LOCAL PREFERENCE

Principal Office and location must be stated: To qualify for the local preference, the principal place of business of the enterprise must be physically located within the Santa Fe County Geographic Boundaries. The business location inserted on the Form must be a physical location, street address or such. DO NOT use a post office box or other postal address. Principal place of business must have been established no less than six months preceding application for certification.

The PREFERENCE FACTOR for resident and local preferences applied to bids shall be .95 for resident and .90 for local. The local preference for proposals shall be 1.10.

Bids for Goods and Services. When bids for the purchase of goods or services pursuant to Section 22 are received, the lowest responsive bid received from those bidders in the first category listed below shall be multiplied by the Preference Factor. If the resulting price of that bid receiving the preference is lower than or equal to the lowest bid of all bids received, the
contract shall be awarded to that bidder receiving the preference. If no bids are received from bidders in the first category, or if the bid receiving the preference does not qualify for an award after multiplication by the Preference Factor, the same procedure shall be followed with respect to the next category of bidders listed to determine if the bid qualifies for award. The priority of categories of bidders is:

1. Local business.
2. Resident business.

Proposals for Goods and Services. When proposals for the purchase of goods or services pursuant to Section 23 are received, the evaluation score of the proposal receiving the highest score of all proposals from those proponents in the first category listed above shall be multiplied by the Preference Factor. If the resulting score of that proposal receiving the preference is higher than or equal to the highest score of all proposals received, the contract shall be recommended to that proponent receiving the preference. If no proposals are received from proponents in the first category, or if the proposal receiving the preference does not qualify for an award after multiplication by the Preference Factor, the same procedure shall be followed with respect to the next category of proposals listed to determine if a proponent qualifies for award.

Qualifications for Resident Preference. No resident business or manufacturer, as defined, shall be given any preference in the awarding of contracts for furnishing goods or services to the city, unless it shall have qualified with the State Purchasing Agent as a resident business or manufacturer and obtained a certification number as provided in Section 13-1-22 NMSA 1978. The certification number must be submitted with its bid for an offeror to qualify for this preference. The Central Purchasing Office shall determine if a resident preference is applicable to a particular offer on a case by case basis.

Qualifications for Local Preference. The Central Purchasing Office shall have available a form to be completed by all bidders/proponents who desire to apply for the local preference as a local business. The completed form with the information certified by the offeror must be submitted by the bidders/proponents with their bid or proposal to qualify for this preference.

Limitation. No offeror shall receive more than a 5% for resident and 10% for local preference pursuant to this section on any one offer submitted. A bidder may not claim cumulative preferences.

Application. This section shall not apply to any purchase of goods or services when the expenditure of federal and/or state funds designated for a specific purchase is involved and the award requirements of the funding prohibit resident and/or local preference(s). This shall be determined in writing by the department with the grant requirements attached to the Purchasing Office before the bid or request for proposals is issued.

Exception. The City Council at their discretion can approve waiving the Local Preference requirements for specific projects or on a case by case basis if it is the City's best interest to do so.

CITY’S SWEATSHOP FREE PROCUREMENT POLICY
CITY OF SANTA FE, NEW MEXICO

RESOLUTION NO. 2012-23

INTRODUCED BY:

Councilor Trujillo
Councilor Wurzburger
Councilor Dominguez
Councilor Bushee

A RESOLUTION

DIRECTING STAFF TO PREPARE AMENDMENTS TO THE CITY OF SANTA FE
PROCUREMENT CODE RELATING TO THE ESTABLISHMENT OF A SWEAT-FREE
PROCUREMENT POLICY.

WHEREAS, the term “sweat-free” as it relates to purchasing, refers to purchasing
policies that protect against slavery, forced overtime, child labor, excessive hours, below-
subsistence wages, discrimination, abuse, harassment, and similar work place violations and
promotes purchasing policies that promote and protect freedom of association, and worker health
and safety; and

WHEREAS, the Governing Body of the City of Santa Fe recognizes its social
responsibility to support a diverse, equitable, healthy, and vibrant community, work force and
economy; and

WHEREAS, the products and services bought with City funds should be produced in an
environment that is “sweat-free” and the City’s purchases do have an inherent social, human,
health, environmental and economic impact on workers and our community; and
WHEREAS, the adoption and implementation of a City of Santa Fe sweat-free procurement policy would:

- Require contractors and subcontractors that provide uniform garments to the City of Santa Fe to abide by a code of conduct that declares manufacturing locations to be sweat-free
- Communicate to the public, other public agencies and companies the City's commitment to sweat-free procurement by setting an example in choosing sweat-free uniforms
- Allow for possible expansion to other products, as the marketplace and industry make such products predictably available with adequate inventory at competitive costs
- Seek enforcement and monitoring with available resources and capabilities
- Complement all aspects of social responsibility, including women- and minority-owned business participation, environmental stewardship, fiscal responsibilities, and fair labor practices; and

WHEREAS, the end-goal of a sweat-free procurement policy is to make an aspirational statement that encourages the marketplace to move toward sweat-free production facilities, and to provide a pragmatic and practical approach that can be implemented with likely compliance.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SANTA FE that the Governing Body hereby directs staff to prepare amendments to the City of Procurement Code relating to the establishment of a sweat-free procurement policy that would include, but not be limited to the following:

1. The Purchasing Division shall require bidders to agree to sweat-free requirements for the manufacture and production of uniform garments. Bidders who fail to comply will be rejected.
2. Sweat-free requirements apply to the prime vendor, who shall also warrant
subcontractor compliance. Requirements to bid shall include that the bidder:

- Sign and submit a Code of Conduct on a form approved by the Purchasing Division;
- Provide a list of all manufacturing facility locations, including names and addresses, used in product manufacturing and assembly; and
- Agree to cooperate with compliance monitoring upon the City's request.

3. The Purchasing Division shall proactively consider additional products, that may in the future be added to the sweat free procurement policy, such as safety gear, uniform accessories, and rental products, if and when such products are known to be available, competitively priced, and have adequate marketplace inventories.

4. The Purchasing Division may consider the experiences of other cities, or may use such bid strategies such as inviting alternate bids, reserving the right to reject bids, or scoring compliance during proposal evaluation to ensure compliance with this policy.

5. The Purchasing Division may exempt a uniform purchase from this policy if:
   - No compliant bidders are available and the acquisition is essential;
   - The contract is directly with a public entity or by Cooperative Purchasing Agreement;
   - Acquisitions are less than the Sealed Bid Limits in aggregate annual City spending;
   - It is an emergency purchase; and/or
   - Grant requirements prohibit the sweat-free policy requirements.

6. If contracts are executed that were procured with sweat-free certifications as part of the bid, the City expects the prime vendor to comply fully. If the prime vendor fails in the opinion of the City, given significant factual evidence, the City will reserve rights to terminate or pursue resolution. The City will apply liquidated damages as allowed by law.
All sweat free contracts shall contain terms that reserve the right for the City to require third-party audits and monitoring. Such costs are borne by the City unless specified otherwise in the contract.

The Purchasing Division will collaborate with other community interests and public agencies in seeking best practices and will progressively update the policy as best practices evolve. The City will support monitoring initiatives that may benefit from combined resources.

BE IT FURTHER RESOLVED that staff is directed to enroll the City in the Sweatfree Purchasing Consortium of state and local government entities to develop and share supply chain resources, expertise, technology, training, monitoring services, and help create economies of scale for sweat-free procurement."

PASSED, APPROVED AND ADOPTED this 29th day of February, 2012.

CODE OF CONDUCT AND CODE OF COMPLIANCE & BIDDERS ACKNOWLEDGEMENT
A code of Conduct should govern the behavior of supply chain partners, notably on social and environmental matters. Guidelines should generally cover workplace issues such as wages, health and safety, working hours, disciplinary practices, freedom of association, child labor and when applicable, environmental impact of suppliers’ activities. There are inherent commercial benefits in adopting and adhering to these guidelines on social and environmental issues that result in sound business practices. Voluntary initiatives to ensure supply chain responsibility are complementary to, but not a substitute for, the necessary role of government in enacting and enforcing appropriate legislation.

City of Santa Fe Code of Conduct for Apparel Bidders
Adopted February 29, 2012

This code of Conduct specifies minimum standards and is based on the principle that contractors, subcontractors and suppliers within the supply chain of the prime contractor, including cut and sew manufacturers, comply with all applicable laws and regulations in their business activities. Labor practices are based upon the core conventions of the International Labor Conventions (ILO), the United Nations’ Universal Declaration of Human Rights and the United Nations conventions on the rights of the child and elimination of all forms of discrimination against women.

1. Labor Standards
   a. Freedom of Association and Right to Collective Bargaining
      Contractors and their subcontractors will recognize and respect that workers, without distinction, have the right to join and form trade unions of their own choosing and to bargain collectively, and will remain strictly neutral on the matter of workers’ choice to unionize or not unionize. Workers shall not be subjected to harassment, intimidation, or retaliation as a result of his or her efforts to freely associate or bargain collectively. Contractors and their subcontractors shall not initiate, dominate or support organizations in which workers participate or are represented. Contractors and their subcontractors will negotiate in good faith with any union or other representative worker body duly constituted by the workers. Where the right of freedom of association and collective bargaining is restricted under law, the supplier will not hinder the development of parallel means for independent, free association and bargaining.
   b. Freely Chosen Employment
      Employment must be on a voluntary basis, respecting the rights of employees to decide to work or not. Contractors and their subcontractors will not use forced, illegal, or prison labor, including indentured labor or any other form of compulsory labor. Contractors and their subcontractors will not require workers to lodge deposits or their identity papers as a condition employment, or financially penalize workers for resigning.
   c. Child Labor Avoidance
      Contractors and their subcontractors will not employ any person that is under the age of 15, under the age interfering with compulsory schooling, or under the minimum age established by law.

      Contractors and their subcontractors acknowledge that according to the UN Convention on the Rights of the Child, a person is a child until age of 18. Contractors and their subcontractors will ensure young workers in the age group 15-17 are employed according to the protective restrictions prescribed by the law of the jurisdiction of the manufacturing facility.
d. **Humane Treatment & Disciplinary Practices**
Employees shall be treated with respect. Corporal punishment and other forms of coercion, abuse or harassment, whether psychological, verbal, sexual or physical, is prohibited.

No contractor or subcontractor shall require or compel any worker to use contraceptives or take pregnancy tests.

f. **Regular Hours of Work**
Workers shall not be required to work a regular work week of more than the lesser of 48 hours per week or the limits on regular hours allowed by the law of the country of manufacture and will be provided with at least one day off during every seven-day period, unless the point of assembly facility in which the labor is performed is party to a collective bargaining agreement that permits mandatory overtime, and any mandatory overtime hours are worked in conformance with a collective with a collective bargaining agreement.
